

About the
**CASA OF THE
APPALACHIAN
MOUNTAINS**

To promote and advocate for children who have experienced dependency, neglect, and abuse, and to provide trained community volunteers to represent the safety and best interest of such children in the court system, with the goal of guiding them to safe, permanent, and loving homes.

CASA

Court Appointed Special Advocates
FOR CHILDREN

**CASA OF THE
APPALACHIAN MOUNTAINS**

This powerful software solution allows for better tracking of case progress, facilitates communication among stakeholders, and supports data-driven decision-making, ultimately helping CASA of the Appalachian Mountains to advocate more effectively for the children they serve.

This grant can impact every child in the Appalachian region who has experienced abuse or neglect and give them an opportunity to thrive in a safe and loving home. Through this grant CASA of the Appalachian Mountains continue to use Evinto Solutions Optima.
